HOW MUCH DO YOU KNOW OF NEGRO LIFE AND HISTORY?

By J. A. ROGERS

As the last of the analysis of the study of the Negro in the Sunday Times, we give Mr. J. A. Rogers the last word. Mr. Rogers is a writer of great ability, with a keen eye for the vital and important points in the history of the Negro race. His articles are always well written and full of valuable information. We therefore feel that his conclusions are worthy of our attention.

The Study of Negro Life and History

The study of Negro life and history is a subject that has been neglected by many people. It is a subject that requires careful analysis and understanding. Mr. Rogers has done a great service by bringing this subject to the attention of the public.

1. The Negro Race

The Negro race is one of the oldest races on earth. It is believed to have originated in Africa and migrated to America over a period of several hundred years. The Negro race has a rich history and culture that deserves to be studied.

2. The History of the Negro Race

The history of the Negro race is a long and complex story. It begins with the arrival of the first Negroes in America, who were brought as slaves. The history of the Negro race is marked by a struggle for freedom and equality.

3. The Role of the Negro in American Society

The Negro race has played a significant role in American society. They have contributed to the development of American culture and have made many important contributions to American society.

4. The Future of the Negro Race

The future of the Negro race is uncertain. It is up to us to ensure that the Negro race is treated fairly and with respect. We must work to ensure that the Negro race has the same rights and opportunities as other races.

In conclusion, the study of Negro life and history is a subject that requires careful analysis and understanding. Mr. Rogers has done a great service by bringing this subject to the attention of the public. It is up to us to learn from his work and to ensure that the Negro race is treated fairly and with respect.
