UNNECESSARY BURDENS

How many unnecessary burdens we bear, bending beneath the troubles of yesterday and bowing before the fears of tomorrow, when both might as well be cast aside and our strength unbonded for the needs of today. Let us live and say good-bye to yesterday’s troubles and meet tomorrow’s when they come!

“Garveyism Or Communism” —
Which Will Solve the Negro Problem?

BROOKLYN, N. Y., Jan. 29—In these days of acute economic depression the solution of such problems as jim-crowism, lynchings and racial inequality which directly affect the Negro masses, the most oppressed element of the working class in these United States, is of paramount importance. Mindful of this fact, the Frederick Douglass Interracial Forum has arranged a debate entitled:

“Wherein lies the solution of the Negro problems?” It will be held on February 15 at 1 p.m. at Bowland Studio, 1660 Fulton street, this city.

H. G. Mudgal, editor of the Negro World, will advocate “Garveyism” and Edward Welsh, assistant editor of the Revolutionary Age, will speak for “Communism.”
